Subject Index

Abdominal wall, injuries
  extended myofascial thigh flaps for repair of large full-thickness abdominal wall defects (Silberman et al), *case report*, 170
Achilles tendon, injuries
  new method for treating postburn talipes equinovarus (Guan), 515
Adenoma
  carbon dioxide laserbrasion for treatment of adenoma sebaceum in tuberous sclerosis (Weston et al), 132
Adipose tissue, surgery
  slot machine elbow and suction shoulder (Vilain), *letter*, 83
Ankylosis
  vascular metatarsophalangeal to ankylosed temporomandibular joint replacement (Ting et al), 497
Apocrine glands
  surgical management of massive perianal hidradenitis suppurativa (Ramasastry et al), 218
Arrhythmia
  cardiovascular reactions associated with the use of ketamine and epinephrine in plastic surgery, with invited comment by Paul F. White (Cabbabe and Behbahani), 50
Articulation disorders
  articulation at age 4 in children with early repair of cleft palate (Ainoda et al), 415

Bandages
  simple dressing to keep secreting wounds dry (Hurwitz), *gadgetry*, 268
Biopsy
  efficacy of random biopsies during breast augmentation (Valiulis and Orsulak), 400
Blood flow velocity
  detecting changes of arterial and venous blood flow in flaps (Svensson et al), 35
Blood substitutes
  effect of Fluosol-DA (20%) on skin flap survival in rats (Ramasastry et al), 436
Bone, corticocancellous
  autologous corticocancellous bone paste for long bone discontinuity defects: experimental approach (Habal et al), 138
Bone, demineralized
  clinical experience in cranial and facial reconstruction with demineralized bone (Ousterhout), 367
Bone, endochondral
  long-term survival of onlay bone grafts: a comparative study in mature and immature animals (Wilkes et al), 374
Bone, membranous
  long-term survival of onlay bone grafts: a comparative study in mature and immature animals (Wilkes et al), 374
Bone, transplantation
  autologous corticocancellous bone paste for long bone discontinuity defects: experimental approach (Habal et al), 138
  clinical experience in cranial and facial reconstruction with demineralized bone (Ousterhout), 367
  fronto-orbital-sphenoidal fibrous dysplasia (Chen and Fairholm), 190
  long-term survival of onlay bone grafts: a comparative study in mature and immature animals (Wilkes et al), 374
Book critiques
  Aesthetic Plastic Surgery, by Regnault and Daniel (Barnett), 272
  Clinical Orbital Anatomy, by Doxanas and Anderson (Vistnes), 82
  The Hand: Diagnosis and Indications, 2nd edition, by Lister (Hentz), 273
  Kaplan's Functional and Surgical Anatomy of the Hand, 3rd edition, edited by Spinner (Kulick), 82
  Maingot's Abdominal Operations, 8th edition, edited by Schwartz and Ellis (Vistnes), 182
  Mutilating Injuries of the Hand, 2nd edition, edited by Reid and Tubiana (Kulick), 274
  Surgical Management of the Burn Wound, by Heimbach and Engrav (Barnett), 454
  A Woman's Decision, by Berger and Bostwick (Vistnes and Vistnes), 454
Breast, injuries
  sodium warfarin–induced gangrene of the breast (Manstein et al), *case report*, 161
Breast augmentation
  augmentation mammaplasty approach to pacemaker implantation (Allan), *case report*, 242
  calcified capsule following augmentation mammaplasty (Cocke et al), *case report*, 61
  efficacy of random biopsies during breast augmentation (Valiulis and Orsulak), 400
Breast diseases
  efficacy of random biopsies during breast augmentation (Valiulis and Orsulak), 400
Breast neoplasms
  breast lumps after reduction mammaplasty (Isaacs et al), 394
  primary breast reconstruction with a subpectoral silicone tissue expander (Paul), 404

July issue, pp 1–86; August issue, pp 87–182; September issue, pp 183–274; October issue, pp 275–366; November issue, pp 367–458; December issue, pp 459–566.

Breast reconstruction
breast reconstruction with the transverse abdominal island flap using the banked nipple-areola complex in the lower abdomen (Mustafa), *case report*, 66
primary breast reconstruction with a subpectoral silicone tissue expander (Paul), 404
simple aid for determination of nipple-areola position (Kon and Sagi), *gadgetry*, 180
slot machine elbow and suction shoulder (Vilain), *letter*, 83
Breast reduction, complications
breast lumps after reduction mammaplasty (Isaacs et al), 394
Burns
Crane principle of the cross-leg fasciocutaneous flap: aesthetically pleasing technique for damaged dorsum of foot (Uhm et al), *case report*, 257
early use of free flaps in burns (Grotting and Walkinshaw), 127
heating pad burns in anesthetic skin (Stevenson et al), *case report*, 73
management of perioral burn scarring in the child and adolescent (Neale et al), 212
re: McArdle et al: early enteral feeding of patients with major burns (Dvir), *letter*, 455
re: McArdle et al: early enteral feeding of patients with major burns (Moscona and Hirshowitz), *letter*, 456
new method for treating postburn talipes equinovarus (Guan), 515
repair of severe tissue loss and deformity of maxillofacial area (How et al), 501
reversed island forearm fascial flap in hand surgery (Jin et al), 340
simple dressing to keep secreting wounds dry (Hurwitz), *gadgetry*, 268
ultrastructural study of regenerated skin after deep dermal and third degree burns (Yoshitsugu and Inoue), 386
use of fish hook–shaped electrode in burn patients (Ikeda and Harries), *gadgetry*, 76
Buttocks
surgical management of massive perianal hidradenitis suppurativa (Ramasastry et al), 218

Calcinosis
calcified capsule following augmentation mammaplasty (Cocke et al), *case report*, 61
Carcinoma, basal cell
rationale for the treatment of difficult basal cell and squamous cell carcinomas of the skin (Riefkohl et al), 99
re: Riefkohl et al: metastatic basal cell carcinoma (Hrabko), *letter*, 457; reply (Riefkohl), *letter*, 457
upper and lower lip reconstruction using the step technique (Dado and Angelats), 204
Carcinoma, squamous cell
rationale for the treatment of difficult basal cell and squamous cell carcinomas of the skin (Riefkohl et al), 99
upper and lower lip reconstruction using the step technique (Dado and Angelats), 204
Case reports
augmentation mammaplasty approach to pacemaker implantation (Allan), 242
breast reconstruction with the transverse abdominal island flap using the banked nipple-areola complex in the lower abdomen (Mustafa), 66
calcified capsule following augmentation mammaplasty (Cocke et al), 61
combined use of the latissimus dorsi musculocutaneous free flap and split-rib grafts for cranial vault reconstruction (Stueber et al), 155
Crane principle of the cross-leg fasciocutaneous flap: aesthetically pleasing technique for damaged dorsum of foot (Uhm et al), 257
extended myofascial thigh flaps for repair of large full-thickness abdominal wall defects (Silberman et al), 170
heating pad burns in anesthetic skin (Stevenson et al), 73
internal oblique muscle pedicle flap for coverage of a major soft tissue defect of the groin (Ramasastry et al), 57
metastasis of a thin regressing malignant melanoma (Linderman and Melton), 247
metastatic melanoma of the lacrimal sac (Economides and Page), 244
microvascular free muscle reconstruction of a large plantar defect (Lukash), 252
pair of five-day flaps: early division of distant pedicles after serial cross-clamping and observation with oximetry and fluorometry (Furnas et al), 262
regeneration of upper femur after subperiosteal resection (Ryan and Bieniewicz), 163
resolution of prepubertal male gynecomastia following removal of a giant pigmented nevus (Leung et al), 167
sodium warfarin–induced gangrene of the breast (Manstein et al), 161
transplantation of severed digits to forearm stump for restoration of partial hand function (Cheng et al), 356
Causalgia
intrafascicular decompression in the treatment of causalgia with special reference to the mechanism (Zhu et al), 460
Cerebral palsy
team approach to drool control in cerebral palsy (Brown et al), 423
Cheek, neoplasms
repair of severe tissue loss and deformity of maxillofacial area (How et al), 501
re: Riefkohl et al: metastatic basal cell carcinoma (Hrabko), *letter*, 457; reply (Riefkohl), *letter*, 457
China
Editor's introduction to the Chinese issue (Vistnes), 275
Guest editor's introduction to the Chinese issue (Chang) 276
Cicatrix
excision of giant nevi in children: how should the wound

Cicatrix *(continued)*
be closed, with invited comment by Ernest Kaplan (Clark and Bennett), 443
management of perioral burn scarring in the child and adolescent (Neale et al), 212
new method for treating postburn talipes equinovarus (Guan), 515
Cleft lip
anatomy of the orbicularis oris muscle in incomplete unilateral cleft lip based on histological examination (Dado and Kernahan), 90
Cleft palate
articulation at age 4 in children with early repair of cleft palate (Ainoda et al), 415
Coloboma
bilateral cryptophthalmos with multiple associated congenital malformations (Ohtsuka et al), 448
Contracture
experimental study of lymphatic contractility and its clinical importance (Wang and Zhong), 278
Crane principle
Crane principle of the cross-leg fasciocutaneous flap: aesthetically pleasing technique for damaged dorsum of foot (Uhm et al), *case report*, 257
Craniotomy
traditional craniotomies of the Kisii tribe of Kenya (Furnas et al), 538
Cross-leg flaps
Crane principle of the cross-leg fasciocutaneous flap: aesthetically pleasing technique for damaged dorsum of foot (Uhm et al), *case report*, 257
pair of five-day flaps: early division of distant pedicles after serial cross-clamping and observation with oximetry and fluorometry (Furnas et al), *case report*, 262
Cryptophthalmos
bilateral cryptophthalmos with multiple associated congenital malformations (Ohtsuka et al), 448
Curettage
syringoma: removal by electrodesiccation and curettage (Stevenson and Swanson), *how we do it*, 151

Decubitus ulcer
pressure sores and paraplegia: experimental model (Daniel et al), 41
regeneration of upper femur after subperiosteal resection (Ryan and Bieniewicz), *case report*, 163
Diazepam
cardiovascular reactions associated with the use of ketamine and epinephrine in plastic surgery, with invited comment by Paul F. White (Cabbabe and Behbahani), 50

Ear, external
nipple reconstruction with four-lobe composite auricular graft (Rose), *gadgetry*, 78

Editorial
regional societies of plastic surgeons: why? (Courtiss), *editorial*, 87
Electrocardiography
use of fish hook–shaped electrode in burn patients (Ikeda and Harries), *gadgetry*, 76
Electrocoagulation
syringoma: removal by electrodesiccation and curettage (Stevenson and Swanson), *how we do it*, 151
Electrolysis
measurement of cutaneous blood flow by clearance of hydrogen gas generated by electrolysis (Suzuki et al), 183
Enteral feeding
re: McArdle et al: early enteral feeding of patients with major burns (Dvir), *letter*, 455
re: McArdle et al: early enteral feeding of patients with major burns (Moscona and Hirshowitz), *letter*, 456
Epidermis, ultrastructure
ultrastructural study of regenerated skin after deep dermal and third degree burns (Yoshitsugu and Inoue), 386
Epinephrine
cardiovascular reactions associated with the use of ketamine and epinephrine in plastic surgery, with invited comment by Paul F. White (Cabbabe and Behbahani), 50
Esophageal neoplasms
one-stage reconstruction of esophageal defect by free transfer of jejunum: treatment and complications (Chang et al), 492
Esophageal stenosis
one-stage reconstruction of esophageal defect by free transfer of jejunum: treatment and complications (Chang et al), 492
Extensor digitorum brevis muscle
free musculocutaneous flap transfer of extensor digitorum brevis muscle by microvascular anastomosis for restoration of function of thenar and adductor pollicis muscles (Zhu et al), 481
Extremities
experimental model of chronic limb lymphedema and determination of lymphatic and venous pressures in normal and lymphedematous limbs (Han et al), 303
lateral lower leg skin flap (Gu et al), 319
microsurgical anatomy of the lateral skin flap of the leg (Chen et al), 313
venous versus lymphatic duct autotransplantation in the treatment of experimental lymphedema (Chang et al), 296
Extremities, injuries
early use of free flaps in burns (Grotting and Walkinshaw), 127
Eyelid neoplasms
syringoma: removal by electrodesiccation and curettage (Stevenson and Swanson), *how we do it*, 151
Eyelids, abnormalities
bilateral cryptophthalmos with multiple associated congenital malformations (Ohtsuka et al), 448

Eyelids, surgery
double-eyelid operation in Japan: its evolution as related to cultural changes (Shirakabe et al), *overview*, 224

Face, surgery
face-lift stigmas (Franco), 379
nasolabial fold lift (Riefkohl), 1
Facial bones, surgery
clinical experience in cranial and facial reconstruction with demineralized bone (Ousterhout), 367
Facial injuries
management of perioral burn scarring in the child and adolescent (Neale et al), 212
repair of severe tissue loss and deformity of maxillofacial area (How et al), 501
Facial neoplasms
re: Conley: invited comment on Appiani and Delfino (Appiani), *letter*, 458
Fascia, transplantation
Crane principle of the cross-leg fasciocutaneous flap: aesthetically pleasing technique for damaged dorsum of foot (Uhm et al), *case report*, 257
extended myofascial thigh flaps for repair of large full-thickness abdominal wall defects (Silberman et al), *case report*, 170
reversed island forearm fascial flap in hand surgery (Jin et al), 340
Fat necrosis
breast lumps after reduction mammaplasty (Isaacs et al), 394
Femoral artery
experimental end-to-side anastomosis of arteries less than one millimeter in diameter and clinical applications (Gao et al), 352
Femur head, growth
regeneration of upper femur after subperiosteal resection (Ryan and Bieniewicz), *case report*, 163
Fibroblasts
effect of inhibition of angiogenesis in granulation tissue on wound healing and the fibroblast (McGrath and Emery), 105
Fibrocystic disease of breast
efficacy of random biopsies during breast augmentation (Valiulis and Orsulak), 400
Fibroma
carbon dioxide laserbrasion for treatment of adenoma sebaceum in tuberous sclerosis (Weston et al), 132
Fibrous dysplasia of bone
fronto-orbital-sphenoidal fibrous dysplasia (Chen and Fairholm), 190
Finger, injuries
digital replantation in children (Cheng et al), 325
replantation of the digits amputated at or about the distal interphalangeal joint (Cheng et al), 465
Finger, surgery
effective use of portions of the supernumerary digit to correct polydactyly of the thumb (Nakamura et al), 7
replantation of the digits at or about the distal interphalangeal joint (Cheng et al), 465
Finger, transplantation
transplantation of severed digits to forearm stump for restoration of partial hand function (Cheng et al), *case report*, 356
Flowmeters
detecting changes of arterial and venous blood flow in flaps (Svensson et al), 35
Fluorometry
pair of five-day flaps: early division of distant pedicles after serial cross-clamping and observation with oximetry and fluorometry (Furnas et al), *case report*, 262
Fluosol-DA (20%)
effect of Fluosol-DA (20%) on skin flap survival in rats (Ramasastry et al), 436
Foot, injuries
Crane principle of the cross-leg fasciocutaneous flap: aesthetically pleasing technique for damaged dorsum of foot (Uhm et al), *case report*, 257
microvascular free muscle reconstruction of a large plantar defect (Lukash), *case report*, 252
Forearm
reversed island forearm fascial flap in hand surgery (Jin et al), 340
Free flaps
combined use of the latissimus dorsi musculocutaneous free flap and split-rib grafts for cranial vault reconstruction (Stueber et al), *case report*, 155
early use of free flaps in burns (Grotting and Walkinshaw), 127
free flaps versus conventional surgery with invited comment by Foad Nahai (Kobus and Stępniewski), 14
microvascular free muscle reconstruction of a large plantar defect (Lukash), *case report*, 252
repair of severe tissue loss and deformity of a maxillofacial area (How et al), 501

Gadgetry
multipurpose background for standardization in medical photography (Hallock), 177
nipple reconstruction with four-lobe composite auricular graft (Rose), 78
preparation of small dermal grafts (Rosenberg and Mercer), 270
simple aid for determination of nipple-areola position (Kon and Sagi), 180
simple dressing to keep secreting wounds dry (Hurwitz), 268
use of fish hook–shaped electrode in burn patients (Ikeda and Harries), 76
Gangrene
sodium warfarin–induced gangrene of the breast (Manstein et al), *case report*, 161
Graft survival
effect of Fluosol-DA (20%) on skin flap survival in rats (Ramasastry et al), 436

Graft survival *(continued)*
long-term survival of onlay bone grafts: a comparative study in mature and immature animals (Wilkes et al), 374
medial leg skin flap: vascular anatomy and clinical applications (Hwang et al), 489
use of two alpha blocking agents, phenoxybenzamine and phentolamine, in ointment and injection form to improve skin flap survival in rats (Goshen et al), 431
Granulation tissue
effect of inhibition of angiogenesis in granulation tissue on wound healing and the fibroblast (McGrath and Emery), 105
effects of protein depletion and repletion on experimental open wound contraction (Modolin et al), 123
Groin injuries
internal oblique muscle pedicle flap for coverage of a major soft tissue defect of the groin (Ramasastry et al), *case report*, 57
island groin flap (Ohtsuka et al), 143
Groin, surgery
one-stage reconstruction of the penis with composite iliac crest and lateral groin skin flap (Sun and Huang), 519
Gynecomastia
resolution of prepubertal male gynecomastia following removal of a giant pigmented nevus (Leung et al), *case report*, 167

Hand, injuries
transplantation of severed digits to forearm stump for restoration of partial hand function (Cheng et al), *case report*, 356
Heat, adverse effects
heating pad burns in anesthetic skin (Stevenson et al), *case report*, 73
Heel, injuries
microvascular free muscle reconstruction of a large plantar defect (Lukash), *case report*, 252
Hemangioma
repair of severe tissue loss and deformity of maxillofacial area (How et al), 501
Hematoma
breast lumps after reduction mammaplasty (Isaacs et al), 394
efficacy of random biopsies during breast augmentation (Valiulis and Orsulak), 400
Hidradenitis suppurativa
surgical management of massive perianal hidradenitis suppurativa (Ramasastry et al), 218
How we do it
syringoma: removal by electrodesiccation and curettage (Stevenson and Swanson), 151
Hydrogen
measurement of cutaneous blood flow by clearance of hydrogen gas generated by electrolysis (Suzuki et al), 183

Hyperplasia
efficacy of random biopsies during breast augmentation (Valiulis and Orsulak), 400
Hypospadias
use of scrotal septal neurovascular pedicle island skin flap in one-stage repair of hypospadias (Li et al), 529

Internal oblique muscle
internal oblique muscle pedicle flap for coverage of a major soft tissue defect of the groin (Ramasastry et al), *case report*, 57
Ischemia
pair of five-day flaps: early division of distant pedicles after serial cross-clamping and observation with oximetry and fluorometry (Furnas et al), *case report*, 262
Island flaps
detecting changes of arterial and venous blood flow in flaps (Svensson et al), 35
island groin flap (Ohtsuka et al), 143
use of scrotal septal neurovascular pedicle island skin flap in one-stage repair of hypospadias (Li et al), 529

Japan
double-eyelid operation in Japan: its evolution as related to cultural changes (Shirakabe et al), *overview*, 224
Jejunum, transplantation
one-stage reconstruction of esophageal defect by free transfer of jejunum: treatment and complications (Chang et al), 492

Kenya
traditional craniotomies of the Kisii tribe of Kenya (Furnas et al), 538
Ketamine
cardiovascular reactions associated with the use of ketamine and epinephrine in plastic surgery, with invited comment by Paul F. White (Cabbabe and Behbahani), 50
Kisii tribe
traditional craniotomies of the Kisii tribe of Kenya (Furnas et al), 538

Labia minora
vaginal reconstruction using labia minora flaps in congenital total absence (Hwang et al), 534
Lacrimal apparatus diseases
metastatic melanoma of the lacrimal sac (Economides and Page), *case report*, 244
Lasers, carbon dioxide
carbon dioxide laserbrasion for treatment of adenoma sebaceum in tuberous sclerosis (Weston et al), 132
Lateral flap
lateral lower leg skin flap (Gu et al), 319
microsurgical anatomy of the lateral skin flap of the leg (Chen et al), 313

Latissimus dorsi muscle
combined use of the latissimus dorsi musculocutaneous free flap and split-rib grafts for cranial vault reconstruction (Stueber et al), *case report*, 155
microvascular free muscle reconstruction of a large plantar defect (Lukash), *case report*, 252
Letters
re: Conley: invited comment on Appiani and Delfino (Appiani), 458
re: McArdle et al: early enteral feeding of patients with major burns (Dvir), 455
re: McArdle et al: early enteral feeding of patients with major burns (Moscona and Hirshowitz), 456
re: Riefkohl et al: metastatic basal cell carcinoma (Hrabko), 457; reply (Riefkohl), 457
slot machine elbow and suction shoulder (Vilain), 83
Lidocaine
cardiovascular reactions associated with the use of ketamine and epinephrine in plastic surgery, with invited comment by Paul F. White (Cabbabe and Behbahani), 50
Lip neoplasms
upper and lower lip reconstruction using the step technique (Dado and Angelats), 204
Lymphatic system
experimental model of chronic limb lymphedema and determination of lymphatic and venous pressures in normal and lymphedematous limbs (Han et al), 303
experimental observation of transplantation of vein graft to lymphatics (Tang et al), 285
experimental study of lymphatic contractility and its clinical importance (Wang and Zhong), 278
venous versus lymphatic duct autotransplantation in the treatment of experimental lymphedema (Chang et al), 296
Lymphedema
experimental model of chronic limb lymphedema and determination of lymphatic and venous pressures in normal and lymphedematous limbs (Han et al), 303
experimental study of lymphatic contractility and its clinical importance (Wang and Zhong), 278
venous versus lymphatic duct autotransplantation in the treatment of experimental lymphedema (Chang et al), 296

Mastectomy
primary breast reconstruction with a subpectoral silicone tissue expander (Paul), 404
Medial leg flap
medial leg skin flap: vascular anatomy and clinical applications (Hwang et al), 489
metastasis of a thin regressing malignant melanoma (Linderman and Melton), *case report*, 247
Melanoma
metastatic melanoma of the lacrimal sac (Economides and Page), *case report*, 244
Microsurgery
experimental end-to-side anastomosis of arteries less than one millimeter in diameter and clinical applications (Gao et al), 352
Moh's surgery
rationale for the treatment of difficult basal cell and squamous cell carcinomas of the skin (Riefkohl et al), 99
re: Riefkohl et al: metastatic basal cell carcinoma (Hrabko), *letter*, 457; reply (Riefkohl), *letter*, 457
Musculocutaneous flaps
breast reconstruction with the transverse abdominal island flap using the banked nipple-areola complex in the lower abdomen (Mustafa), *case report*, 66
combined use of the latissimus dorsi musculocutaneous free flap and split-rib grafts for cranial vault reconstruction (Stueber et al), *case report*, 155
free musculocutaneous flap transfer of extensor digitorum brevis muscle by microvascular anastomosis for restoration of function of thenar and adductor pollicis muscles (Zhu et al), 481
heating pad burns in anesthetic skin (Stevenson et al), *case report*, 73
island groin flap (Ohtsuka et al), 143
repair of severe tissue loss and deformity of maxillofacial area (How et al), 501
Myofascial flaps
extended myofascial thigh flaps for repair of large full-thickness abdominal wall defects (Silberman et al), *case report*, 222

Neck, surgery
nasolabial fold lift (Riefkohl), 1
Neck neoplasms
re: Conley: invited comment on Appiani and Delfino (Appiani), *letter*, 458
Neoplasm regression, spontaneous
metastasis of a thin regressing malignant melanoma (Linderman and Melton), *case report*, 247
Neovascularization
effect of inhibition of angiogenesis in granulation tissue on wound healing and the fibroblast (McGrath and Emery), 105
Nevus, pigmented
excisison of giant nevi in children: how should the wound be closed, with invited comment by Ernest Kaplan (Clark and Bennett), 443
resolution of prepubertal male gynecomastia following removal of a giant pigmented nevus (Leung et al), *case report*, 167
Nipples, surgery
nipple reconstruction with four-lobe composite auricular graft (Rose), *gadgetry*, 78
Nipples, transplantation
breast reconstruction with the transverse abdominal island flap using the banked nipple-areola complex in the lower abdomen (Mustafa), *case report*, 66

Nipples, transplantation *(continued)*
simple aid for determination of nipple-areola position (Kon and Sagi), *gadgetry*, 180

Optic nerve, injuries
fronto-orbital-sphenoidal fibrous dysplasia (Chen and Fairholm), 190
Orbicularis oris muscle
anatomy of the orbicularis oris muscle in incomplete unilateral cleft lip based on histological examination (Dado and Kernahan), 90
Overview
double-eyelid operation in Japan: its evolution as related to cultural changes (Shirakabe et al), 224
Oximetry
pair of five-day flaps: early division of distant pedicles after serial cross-clamping and observation with oximetry and fluorometry (Furnas et al), *case report*, 262

Pacemaker, artificial
augmentation mammaplasty approach to pacemaker implantation (Allan), *case report*, 242
Paraplegia
pressure sores and paraplegia: experimental model (Daniel et al), 41
Pedicle flap
internal oblique muscle pedicle flap for coverage of a major soft tissue defect of the groin (Ramasastry et al), *case report*, 57
Penis, surgery
one-stage reconstruction of the penis with composite iliac crest and lateral groin skin flap (Sun and Huang), 519
Perineum
surgical management of massive perianal hidradenitis suppurativa (Ramasastry et al), 218
Periosteum
long-term survival of onlay bone grafts: a comparative study in mature and immature animals (Wilkes et al), 374
Peroneal artery
lateral lower leg skin flap (Gu et al), 319
microsurgical anatomy of the lateral skin flap of the leg (Chen et al), 313
Peroneal vein
lateral lower leg skin flap (Gu et al), 319
microsurgical anatomy of the lateral skin flap of the leg (Chen et al), 313
Phenoxybenzamine
use of two alpha blocking agents, phenoxybenzamine and phentolamine, in ointment and injection form to improve skin flap survival in rats (Goshen et al), 431
Phentolamine
use of two alpha blocking agents, phenoxybenzamine and phentolamine, in ointment and injection form to improve skin flap survival in rats (Goshen et al), 431

Photography
multipurpose background for standardization in medical photography (Hallock), *gadgetry*, 177
Polyetherurethane terephthalate
autologous corticocancellous bone paste for long bone discontinuity defects: experimental approach (Habal et al), 138
Pressure
experimental model of chronic limb lymphedema and determination of lymphatic and venous pressures in normal and lymphedematous limbs (Han et al), 303
Protamines
effect of inhibition of angiogenesis in granulation tissue on wound healing and the fibroblast (McGrath and Emery), 105
Protein deficiency
effects of protein depletion and repletion on experimental open wound contraction (Modolin et al), 123

Rectus abdominis muscle
breast reconstruction with the transverse abdominal island flap using the banked nipple-areola complex in the lower abdomen (Mustafa), *case report*, 66
Regional blood flow
measurement of cutaneous blood flow by clearance of hydrogen gas generated by electrolysis (Suzuki et al), 183
Replantation
digital replantation in children (Cheng et al), 325
replantation of avulsively amputated thumb: a report of 15 cases (Cheng et al), 474
replantation of the digits amputated at or about the distal interphalangeal joint (Cheng et al), 465
Ribs, transplantation
combined use of the latissimus dorsi musculocutaneous free flap and split-rib grafts for cranial vault reconstruction (Stueber et al), *case report*, 155

SMAS. *See* Superficial musculoaponeurotic system
Salivary glands, surgery
team approach to drool control in cerebral palsy (Brown et al), 423
Saphenous vein
medial leg skin flap: vascular anatomy and clinical applications (Hwang et al), 489
Saphenous vein, transplantation
arterialized venous free sural nerve grafting (Gu et al), 332
experimental observation of transplantation of vein graft to lymphatics (Tang et al), 285
venous versus lymphatic duct autotransplantation in the treatment of experimental lymphedema (Chang et al), 296
Scrotum, surgery
use of scrotal septal neurovascular pedicle island skin flap in one-stage repair of hypospadias (Li et al), 529

Sebaceous gland neoplasms
carbon dioxide laserbrasion for treatment of adenoma sebaceum in tuberous sclerosis (Weston et al), 132
Sialorrhea
team approach to drool control in cerebral palsy (Brown et al), 423
Silicone elastomers
primary breast reconstruction with a subpectoral silicone tissue expander (Paul), 404
Skin, transplantation
Crane principle of the cross-leg fasciocutaneous flap: aesthetically pleasing technique for damaged dorsum of foot (Uhm et al), *case report*, 257
detecting changes of arterial and venous blood flow in flaps (Svensson et al), 35
effect of Fluosol-DA (20%) on skin flap survival in rats (Ramasastry et al), 436
excision of giant nevi in children: how should the wound be closed, with invited comment by Ernest Kaplan (Clark and Bennett), 443
lateral lower leg skin flap (Gu et al), 319
measurement of cutaneous blood flow by clearance of hydrogen gas generated by electrolysis (Suzuki et al), 183
medial leg skin flap: vascular anatomy and clinical applications (Hwang et al), 489
medial upper arm skin flap: vascular anatomy and clinical applications (Gao et al), 348
microsurgical anatomy of the lateral skin flap of the leg (Chen et al), 313
one-stage reconstruction of the penis with composite iliac crest and lateral groin skin flap (Sun and Huang), 519
preparation of small dermal grafts (Rosenberg and Mercer), *gadgetry*, 270
repair of severe tissue loss and deformity of maxillofacial area (How et al), 501
reversed island forearm fascial flap in hand surgery (Jin et al), 340
surgical management of massive perianal hidradenitis suppurativa (Ramasastry et al), 218
use of scrotal septal neurovascular pedicle island skin flap in one-stage repair of hypospadias (Li et al), 529
use of two alpha blocking agents, phenoxybenzamine and phentolamine, in ointment and injection form to improve skin flap survival in rats (Goshen et al), 431
Skin neoplasms
rationale for the treatment of difficult basal cell and squamous cell carcinomas of the skin (Riefkohl et al), 99
Skull, surgery
clinical experience in cranial and facial reconstruction with demineralized bone (Ousterhout), 367
combined use of the latissimus dorsi musculocutaneous free flap and split-rib grafts for cranial vault reconstruction (Stueber et al), *case report*, 155
Societies, plastic surgery
regional societies of plastic surgeons: why? (Courtiss), *editorial*, 87
Spinal cord, injuries
pressure sores and paraplegia: experimental model (Daniel et al), 41
Superficial musculoaponeurotic system
nasolabial fold lift (Riefkohl), 1
Superior epigastric artery
experimental end-to-side anastomosis of arteries less than one millimeter in diameter and clinical applications (Gao et al), 352
Sural nerve, transplantation
arterialized venous free sural nerve grafting (Gu et al), 332
Surgical flaps
breast reconstruction with the transverse abdominal island flap using the banked nipple-areola complex in the lower abdomen (Mustafa), *case report*, 66
combined use of the latissimus dorsi musculocutaneous free flap and split-rib grafts for cranial vault reconstruction (Stueber et al), *case report*, 155
Crane principle of the cross-leg fasciocutaneous flap: aesthetically pleasing technique for damaged dorsum of foot (Uhm et al), *case report*, 257
detecting changes of arterial and venous blood flow in flaps (Svensson et al), 35
early use of free flaps in burns (Grotting and Walkinshaw), 127
effect of Fluosol-DA (20%) on skin flap survival in rats (Ramasastry et al), 436
extended myofascial thigh flaps for repair of large full-thickness abdominal wall defects (Silberman et al), *case report*, 170
free flaps versus conventional surgery, with invited comment by Foad Nahai (Kobus and Stępniewski), 14
free musculocutaneous flap transfer of extensor digitorum brevis muscle by microvascular anastomosis for restoration of function of thenar and adductor pollicis muscles (Zhu et al), 481
heating pad burns in anesthetic skin (Stevenson et al), *case report*, 73
internal oblique muscle pedicle flap for coverage of a major soft tissue defect of the groin (Ramasastry et al), *case report*, 57
island groin flap (Ohtsuka et al), 143
lateral lower leg skin flap (Gu et al), 319
measurement of cutaneous blood flow by clearance of hydrogen gas generated by electrolysis (Suzuki et al), 183
medial leg skin flap: vascular anatomy and clinical applications (Hwang et al), 489
medial upper arm skin flap: vascular anatomy and clinical applications (Gao et al), 348
microsurgical anatomy of the lateral skin flap of the leg (Chen et al), 313
microvascular free muscle reconstruction of a large plantar defect (Lukash), *case report*, 252
nipple reconstruction with four-lobe composite auricular graft (Rose), *gadgetry*, 78
one-stage reconstruction of esophageal defect by free trans-

Surgical flaps *(continued)*
fer of jejunum: treatment and complications (Chang et al), 492
one-stage reconstruction of the penis with composite iliac crest and lateral groin skin flap (Sun and Huang), 519
pair of five-day flaps: early division of distant pedicles after serial cross-clamping and observation with oximetry and fluorometry (Furnas et al), *case report*, 262
repair of severe tissue loss and deformity of maxillofacial area (How et al), 501
reversed island forearm fascial flap in hand surgery (Jin et al), 340
use of scrotal septal neurovascular pedicle island skin flap in one-stage repair of hypospadias (Li et al), 529
use of two alpha blocking agents, phenoxybenzamine and phentolamine, in ointment and injection form to improve skin flap survival in rats (Goshen et al), 431
vaginal reconstruction using labia minora flaps in congenital total absence (Hwang et al), 534
Syndactyly
bilateral cryptophthalmos with multiple associated congenital malformations (Ohtsuka et al), 448
Syringoma
syringoma: removal by electrodesiccation and curettage (Stevenson and Swanson), *how we do it*, 151

Temporomandibular joint diseases
vascular metatarsophalangeal to ankylosed temporomandibular joint replacement (Ting et al), 497
Thrombosis
experimental observation of transplantation of vein graft to lymphatics (Tang et al), 285
Thumb, abnormalities
effective use of portions of the supernumerary digit to correct polydactyly of the thumb (Nakamura et al), 7
Thumb, injuries
replantation of avulsively amputated thumb: a report of 15 cases (Cheng et al), 474
Thumb, surgery
free musculocutaneous flap transfer of extensor digitorum brevis muscle by microvascular anastomosis for restoration of function of thenar and adductor pollicis muscles (Zhu et al), 481
Tibial artery
medial leg skin flap: vascular anatomy and clinical applications (Hwang et al), 489
Tuberous sclerosis
carbon dioxide laserbrasion for treatment of adenoma sebaceum in tuberous sclerosis (Weston et al), 132

Ulnar artery
medial upper arm skin flap: vascular anatomy and clinical applications (Gao et al), 348
Upper arm flap
medial upper arm skin flap: vascular anatomy and clinical applications (Gao et al), 348

Vagina, abnormalities
vaginal reconstruction using labia minora flaps in congenital total absence (Hwang et al), 534
Velopharyngeal insufficiency
articulation at age 4 in children with early repair of cleft palate (Ainoda et al), 415
Venous pressure
experimental model of chronic limb lymphedema and determination of lymphatic and venous pressures in normal and lymphedematous limbs (Han et al), 303

Warfarin, adverse effects
sodium warfarin–induced gangrene of the breast (Manstein et al), *case report*, 161
Wound healing
effect of inhibition of angiogenesis in granulation tissue on wound healing and the fibroblast (McGrath and Emery), 105
effects of protein depletion and repletion on experimental open wound contraction (Modolin et al), 123
Wounds, gunshot
intrafascicular decompression in the treatment of causalgia with special reference to the mechanism (Zhu et al), 460

Annals of Plastic Surgery

Volume 15 July–December 1985
